REVISED LIST

With our last price list of February 20th, we sent a pre-paid post card and the request shown below was made.

The plan was successful.

It is ever our desire to send prices to all in the Trade who are interested, but 600 or 700 did send back the cards canceling their name on the mailing list, showing we were sending out too many.

This Revised List means better service, and we are proud of the service given.

REVISE MAILING LIST

If our lists are **NOT** of interest, please mail the enclosed post-paid card. (This does not even require signature.) We ask your co-operation. Will you do this for us in case you do **NOT** want the lists?
